

THE HNATYSHYN FOUNDATION DEVELOPING ARTISTS GRANTS 2010

CLASSICAL BALLET

“The Hnatyshyn Foundation seeks to enrich the legacy of Canadian art by directly aiding exceptionally gifted individuals working in all disciplines – fully reflecting Canada’s linguistic and cultural diversity – while heightening public awareness of the role of private benefactors in nurturing talent and strengthening the bonds which unite us as a nation.”

The Right Honourable Ramon John Hnatyshyn (1934-2002)

Background

The Hnatyshyn Foundation was established in 1995 by the late Right Honourable Ramon John Hnatyshyn, Canada’s twenty-fourth Governor General (1990-1995). A federally registered charity, The Hnatyshyn Foundation’s goals are to help emerging and established artists in all disciplines with their schooling and training, as well as promoting to the Canadian public the importance of the arts in our society.

Our Mission

With a national scope and embracing the entire spectrum of the creative and performing arts, The Hnatyshyn Foundation affirms the vital role of the arts and artists in strengthening communities and enriching Canada’s heritage.

Our mission will be accomplished by assisting exceptionally talented individual artists begin their careers, expand their skills or create new works or programs in circumstances where alternative funding is often not available. Special projects that go to the heart of the Foundation’s mandate and encourage partnerships will also be undertaken from time to time.

Developing Artists Grants

The Hnatyshyn Foundation’s Developing Artists Grants program is designed to bridge funding gaps in existing programs, and provide assistance to the most promising young Canadian performing artists accepted in a full-time **post-secondary or conservatory** professional training program in classical ballet at a Canadian training institution or in an **apprenticeship** with a Canadian professional ballet company.

The institution or company must nominate the candidate, and in any year may submit only one nominee. Nominees will be identified on the basis of exceptional promise for a distinguished career in performance, and may be nominated by only one institution or company. A panel of arts advisors appointed by the Foundation will then adjudicate the performance work of the nominees anonymously. Candidates who have previously received the grant are not eligible.

Eight grants of \$10,000 each will be awarded in 2010, one each in the fields of classical music (orchestral instrument), classical music (piano), classical voice, jazz, classical ballet, contemporary dance, acting (English theatre) and acting (French theatre).

The grant must be applied towards tuition, materials, and/or room and board. In the case of the classical ballet grant, the Foundation will permit up to 20% of the grant to be used to defray the costs of an audition tour. In the event the student or apprentice chooses not to attend the nominating institution or fails to complete a full year of training, the grant must be returned to The Hnatyshyn Foundation in its entirety or on a pro rata basis.
