

THE HNATYSHYN FOUNDATION DEVELOPING ARTISTS GRANTS 2011

CLASSICAL MUSIC – ORCHESTRAL INSTRUMENT

“The Hnatyshyn Foundation seeks to enrich the legacy of Canadian art by directly aiding exceptionally gifted individuals working in all disciplines – fully reflecting Canada’s linguistic and cultural diversity – while heightening public awareness of the role of private benefactors in nurturing talent and strengthening the bonds which unite us as a nation.”

The Right Honourable Ramon John Hnatyshyn (1934-2002)

Background

The Hnatyshyn Foundation was established in 1995 by the late Right Honourable Ramon John Hnatyshyn, Canada’s twenty-fourth Governor General (1990-1995). A federally registered charity, The Hnatyshyn Foundation’s goals are to help emerging and established artists in all disciplines with their schooling and training, as well as promoting to the Canadian public the importance of the arts in our society.

Our Mission

With a national scope and embracing the entire spectrum of the creative and performing arts, The Hnatyshyn Foundation affirms the vital role of the arts and artists in strengthening communities and enriching Canada’s heritage.

Our mission will be accomplished by assisting exceptionally talented individual artists begin their careers, expand their skills or create new works or programs in circumstances where alternative funding is often not available. Special projects that go to the heart of the Foundation’s mandate and encourage partnerships will also be undertaken from time to time.

Developing Artists Grants

The Hnatyshyn Foundation’s Developing Artists Grants program is designed to bridge funding gaps in existing programs and provide assistance to the most promising young Canadian performing artists enrolled in a qualified Canadian post-secondary educational or training institution that offers programs in performing arts.

The institution must nominate the candidate and may submit only one nominee per year. Nominees will be identified by the institution on the basis of exceptional promise for a distinguished career in performance and may be nominated by only one institution. A panel of arts advisors appointed by the Foundation will then adjudicate the performance work of the nominees anonymously. Candidates who have previously received the grant are not eligible.

Eight grants of \$10,000 each will be awarded in 2011, one each in the fields of classical music (orchestral instrument), classical music (piano), classical voice, jazz, classical ballet, contemporary dance, acting (English theatre) and acting (French theatre).

The grant must be applied towards tuition, materials, and/or room and board. In the event the student either chooses not to attend the nominating institution or fails to complete a full year of study, the grant must be returned to The Hnatyshyn Foundation in its entirety or on a pro rata basis.

NOTES ON SUPPORTING DOCUMENTATION

Curriculum Vitae

In addition to the usual information, the curriculum vitae should include details of musical training the candidate has received, any awards or prizes for musical excellence, and any significant public performances by the candidate.

Your artist's statement can be anything you want it to be, but primarily, it should help the jurors understand what you believe to be the most important aspects of your art and the techniques you use to make it. Consider the following:

- What do you consider the most important aspect of performance?
- How are you developing your technical mastery of your instrument?
- What are your goals and aspirations as an artist?
- Who or what inspires you?

Letter of Support

The letter of support from the nominating institution should be no less than one page in length and no more than three. It should clearly indicate the candidate's strengths as a musician and the referrer's evaluation of their potential for a distinguished career in performance. Please note that excerpts from the letter of support may be used by the Foundation in a press release announcing the grant winners.

Recording

Since the candidates will be adjudicated anonymously, the name of the candidate must not be evident. The recording should be of the highest possible quality the candidate can provide and would ideally be live or live to tape (with no edits) in a concert style venue with natural reverb or no reverb at all. The list of the musical selections played (composer, title of composition, movement) must be provided. If the recording of a public performance is provided, audience applause should be reduced to a minimum. Candidates are permitted to provide performances on more than one instrument if they wish, but it may not be in their best interest to do so unless they are equally proficient on both instruments.
