

### ***An Evening with Oscar Peterson***

On the evening of July 16, 2004, Oscar Peterson, C.C., C.Q., O.Ont., gave a concert in Southam Hall at the National Arts Centre – his first Ottawa appearance in almost 20 – years as a benefit concert for The Hnatyshyn Foundation.

The evening concluded with a post-concert reception for Gold Circle ticket holders on the terrace overlooking the Rideau Canal. Guests had the opportunity to meet Dr. Peterson, his wife Kelly and their daughter Celine, while enjoying champagne, hors d'ouvres and live entertainment under the stars.

The magnificent success achieved by this event – both in terms of generating funds as well as enhancing public awareness of the Foundation's mission-may be largely attributed to the efforts of a dedicated team of volunteers and the generous support of our sponsors, including:
